Last revised February 12, 2014

**BY DOWNLOADING THE SDK YOU ARE ACKNOWLEDGING THAT YOU HAVE READ AND UNDERSTOOD THE TERMS AND CONDITIONS OF THIS SDK EVALUATION LICENSE AND AGREE TO ABIDE BY THEM.**

This SDK Evaluation License (this "Agreement") is between Twitch Interactive, Inc. and its affiliates (collectively, "Twitch"), located at 225 Bush Street, 6th Floor, San Francisco, CA 94104, and the person/entity ("Developer") downloading the Software (as defined below).

1.      **Evaluation License.**

        (a)      Subject to the terms and conditions of this Agreement, Twitch grants to Developer a revocable, non-exclusive, non-transferable, non-assignable (without right of sublicense) license solely for Developer's internal non-commercial testing and evaluation of the applicability, usability and performance of the Twitch SDK (together with any related documentation or other materials, the "Software") in connection with Developer's potential integration of the Software into Developer's electronic games (the "Evaluation Purpose") and NOT for any commercial or production use, manufacturing, sale, resale distribution, redistribution, or sublicensing. Developer acknowledges that use of the Software as permitted herein will not allow Developer to enable any of its games to broadcast or otherwise operate with the Twtich.tv website or services, and that any use by Developer outside of the limited evaluation license granted above, including such broadcast functionality, will require Developer to enter into a separate license agreement with Twitch. Twitch does not provide any support for the Software pursuant to this Agreement.

        (b)      Developer has no rights or licenses with respect to the Software except as expressly provided in this Agreement for the Evaluation Purpose.  Without limiting the generality of the foregoing, except as expressly provided in this Agreement, Developer may not (i) copy, distribute, rent, lease, lend, sublicense, transfer or make the Software available to any third  party or use the Software on a service bureau basis, (ii) decompile, reverse engineer, or disassemble the Software, (iii) create derivative works based on the Software; (iv) modify, remove, or obscure any copyright, trademark, patent or other notices or legends that appear on the Software or during the use and operation thereof, or (v) use the Software in any manner other than for the Evaluation Purpose. Developer may not use or export the Software outside of any country of license for any reason.

2.      **Proprietary Rights.** Twitch, its suppliers and licensors retain exclusive ownership of the Software (including without limitation all algorithms, source code, processes and concepts contained in the Software), Twitch's logo and other related materials of Twitch, and any patent, copyright, trade secret, trade name and other proprietary or intellectual property rights related to the Software, as well as any and all modifications, improvements, reports, recommendations, inventions, specifications and other materials related to the Software, including without limitation those based upon suggestions for the Software provided by Developer.

3.      **Indemnification**. Developer shall indemnify and hold harmless Twitch and its directors, officers, and employees against all losses, damages, claims, liabilities or expenses (including reasonable attorneys' fees and expenses) arising from any action brought against any of them arising from an alleged breach by Developer of this Agreement.

4.      **Confidentiality.** Developer agrees that neither it nor its employees, contractors or agents will use (except as expressly permitted under this Agreement) transfer, make available or disclose to any third party the Software or other know-how, technical data and other information disclosed to Developer by or on behalf of Twitch (collectively, "Confidential Information"). Confidential Information includes, for avoidance of doubt, information regarding the Software (including its nature and specific features), which are also considered the trade secret information of Twitch. Developer agrees to keep Twitch's Confidential Information in strict confidence and allow its use only by its employees, contractors or agents who are subject to obligations of confidentiality as protective as those in this section. Developer will implement adequate security measures (the highest degree of care that it uses to protect its confidential information of

similar nature) to ensure against unauthorized access to, use or copying of the Confidential Information. Developer will promptly notify Twitch in writing of any misuse or misappropriation of the Confidential Information of which it becomes aware.

5.   **No Warranty; Limitation of Liability.**

(A)   DEVELOPER ACKNOWLEDGES AND AGREES THAT THE USE OF THE SOFTWARE IS AT DEVELOPER'S OWN RISK. THE SOFTWARE IS LICENSED "AS IS". TWITCH SPECIFICALLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES OR CONDITIONS WITH RESPECT TO THE SOFTWARE OR THE USE OR OPERATION THEREOF, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

(B)   TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL TWITCH, ITS SUPPLIERS OR LICENSORS BE LIABLE FOR ANY DIRECT OR INDIRECT DAMAGES, COSTS, CLAIMS OR EXPENSES (INCLUDING WITHOUT LIMITATION LOST REVENUE, BUSINESS PROFIT, DATA, OR LIABILITY OR INJURY TO THIRD PERSONS, WHETHER FORESEEABLE OR NOT, OR OTHER SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY, WHETHER FOR BREACH OF CONTRACT, TORT, INFRINGEMENT OR OTHERWISE), EVEN IF TWITCH, ITS SUPPLIERS AND LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.   **Termination.** This Agreement and the license granted hereunder will continue until terminated by either party as provided herein. Twitch may terminate this Agreement and the licenses granted herein at any time and for any reason upon written or electronic notice. Developer may terminate this Agreement by deleting and destroying all copies of the Software and ceasing all use thereof. Upon termination or expiration of this Agreement, Developer shall promptly return to Twitch (or at Twitch's option, destroy and certify to such destruction) all copies of the Software. Sections 2 through 7 shall survive termination or expiration of this Agreement.

7.   **Miscellaneous.** Developer agrees and acknowledges that Developer's obligations under this Agreement are necessary and reasonable in order to protect Twitch and that, in addition to any other remedies that may be available, in law, in equity or otherwise, Twitch shall be entitled to obtain injunctive relief against the actual, threatened or continuing breach of this Agreement by Developer, without the necessity of proving actual damages. This Agreement is governed by and subject to the laws of the State California, USA, without regard to its conflict of laws rules. The parties agree that the federal and state courts located in San Francisco, California will have exclusive jurisdiction and venue under this Agreement, and the parties hereby agree to submit to such jurisdiction exclusively. Neither the United Nations Convention on Contracts for the International Sale of Goods nor any adopted version of the Uniform Computer Information Transactions Act apply to this Agreement. Developer may not assign or otherwise transfer all or any portion or the rights or licenses granted hereunder, by agreement or by operation of law, without Twitch's prior written consent. However, Twitch may assign this Agreement to a successor of all or substantially all of its assets or business. If a court of competent jurisdiction finds any provision of this Agreement unenforceable, all other provisions will remain in full force and effect and the unenforceable provision will be replaced with an enforceable provision that most nearly achieves the intent and economic effect of the unenforceable provision. This is the entire agreement between the parties with respect to its subject matter, and supersedes any prior oral or written agreement. Twitch may modify this Agreement upon notice to Developer (including by posting such changes to the Twitch SDK website) and such changes will be binding on Developer fifteen (15) days after posting, unless Developer ceases all use of the Software within such time period. Except as provided in the preceding sentence, this Agreement may be amended only in writing signed by the parties.
